

NELSON S. DILWORTH for ASSEMBLY

Hemet, California, August 20, 1936
119 North Buena Vista Street

Citizens of Riverside County:

Dear Fellow-Citizens:—

NELSON S. DILWORTH

Thirty-four years a resident of Riverside County.

* * *

Qualified by experience in Assembly work, by knowledge of County communities, and by wide acquaintance with the people of Riverside County to represent them at Sacramento.

* * *

Enlisted in the United States army in 1917, served in action in France. Organized Post of War veterans at Hemet in 1919 and was chosen their first Commander.

"Citizens must have labor preference over aliens."

* * *

"Analyze purpose and destination of every dollar spent."

* * *

"Government exists to serve its people."

Riverside County must select a new Assemblyman this year and may I ask your consideration. During my service as Assistant Clerk of the Assembly I acquired a thorough knowledge of the procedure of the legislature. The usual difficulties of a new Assemblyman will not beset me. Rather than select someone entirely inexperienced in legislative work, would it not be better to choose one familiar with the work?

Since the middle of May, when my term as Postmaster at Hemet ended, I have made an active campaign throughout the County and the response I have received has exceeded all expectations. Most of you are aware of my public service at Hemet for more than a score of years, as Mail Carrier, overseas soldier, Postmaster, and Chamber of Commerce worker. If elected to the Assembly, you may depend upon the same persistent application to the duties of the office and careful attention to your wishes. I trust that my judgment has matured with the years of experience in public affairs.

With a desire to be of further service to my County and to the State of California, I await your verdict at the polls. I know that you can be depended upon to do your part and to take the time to exercise your franchise as citizens. Do not fail to vote next Tuesday.

Participation in Chamber of Commerce work and other civic enterprises in this County for twenty-five years has given me a comprehensive knowledge of all sections and their needs. I especially value the many acquaintances and friendships that have been my privilege throughout the County.

Thanking you and with best wishes to all, I am,

Sincerely yours,

NELSON S. DILWORTH
