## Nelson Dilworth for Assembly

Thirty-four Years Residence in Riverside County

119 North Buena Vista Street HEMET, GALIFORNIA

August 20, 1936

Citizens of Hemet. San Jacinto and vicinity.

Dear Friends and Neighbors:

Since the middle of May, when my term as Postmaster ended, I have devoted myself to a vigorous canvass of the County, seeking the Republican nomination to the office of Assemblyman. The response that I have received has exceeded all expectations.

One particular point that is having great weight in my favor is that during my service as Assistant Clerk of the Assembly I acquired a thorough knowledge of the procedure of the legislature. The usual difficulties of a new Assemblyman will not beset me. While it is necessary that the County select a new Assemblyman, it is not necessary to select someone entirely inexperienced in legislative work.

You are all aware of my public service here at Hemet for more than a score of years as Mail Carrier, Overseas Soldier, Postmaster and civic worker. You may depend on the same persistent application to my duties in the future and on careful attention to your wishes. I trust that my judgment has ripened with the experience of years in dealing with public affairs.

With a desire to be of further service to my County and to my State, I await your verdict at the polls next Tuesday, August 25. I know that I can depend on you to do your part and take the time to exercise your franchise as citizens. Do not fail to vote. Do not let it be said that the people of our district are less interested than Corona or Riverside in the success of their candidate.

Thanking you and with best wishes to you all, I am

Respectfully,

NELSON S. DILWORTH.
